

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

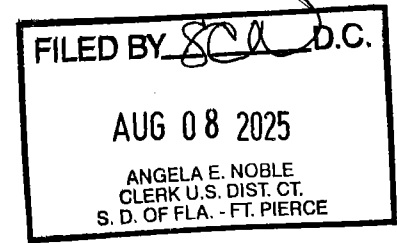

CASE NO 24-80116 - cr- AMC

UNITED STATES OF AMERICA

VS

RYAN WESLEY ROUTH

Defendant

Ryan Routh REQUEST TO BEAD?/SEAL DEFENSE WITNESSES AND NEED GENERAL SUPPORT, TOOLS AND DOCUMENTS TO FACILITATE THE CASE.

--I would like to request that defense witnesses be sealed.

--While all of the prosecution exhibits copies would be nice, I need Gov 007523, 007528, 05293, 007542, 018908, gx200-98, gov 018908

--I do not think I have all the discovery, and I do not have the capacity to print from this computer, if another device and printer could be made available so I can print required exhibits, please.

--Again, the Fort Lucie jail is horribly loud, preventing sleep, and the Marshalls went back to Miami and back anyway. I did not have access to documents, computer, phone, printer- barely a pencil.

--Making copies in BOP is impossible; I have fought to get 1 copy in 10 months and takes 1 to 2 weeks; to present exhibits I need copies, and carbon paper is not available, so I must type documents 4 times.

--I will file a separate motion to add o47 to the jury instructions.

--I would like/like to request for experts Michael A McClay Jr. , Dr. Heather Holmes, and Dr. Rodolfo A Buigas to be get paid/paid please.
